

Application Guide

This guide is only for the reference of international applicants including individuals, teams or startups. Please complete applications on computers (instead of mobile devices). Browsers like Google Chrome, Safari, etc. are recommended.

Step 1: Where to Start

Visit <http://plus.scip.com.cn> and click the “SCIP+” button, You’ll then be redirected to the contest landing page.

<http://plus.scip.com.cn>

Contest Landing Page

<https://makeable.cn/2022-scip-en/>

Step 2: Where to Apply

When you are at the landing page, scroll down and you can find the buttons for application. Applicants who do not have a registered legal entity should select “Innovation Group”, and applicants who have a registered legal entity should select “Entrepreneurship Group” to submit your applications. Please note that any college

students, young teachers, and young professionals (who have existing employment) who have registered companies, need to **apply through the “Entrepreneurship Group”**.

*Application buttons can be also found on “Details” and “Apply” pages.

Step 3: Fill in the Application Form

Please follow the instructions on the application form to fill in factual information.

Input N/A if it is not applicable. You can only register 1 project / product / service. *

Asterisk sessions are mandatory to fill. Please note that when you upload a project plan / business plan, it should be PDF only within 10MB. You may use Smallpdf to compress your file (<https://smallpdf.com/>). Please visit

<https://smallpdf.com/blog/compress-pdf-to-chosen-size>

to learn more.

Step 4: Complete the Registration

When you complete the application form, please must **click “Submit”** at the bottom.

The deadline of application is **September 30, 2022**. The organizer will contact you by email if your submission is selected to enter the next phase.

Examples of successful submissions:
